Approval of COCTYC Meeting - 116th Conference

The minutes of the COCTYC meeting at the 116th conference at Cape Fear Community College was approved by voice vote.

Summary Report of 117th Conference

Dr. Bezirjian thanked Bill Wasserman for "twisting" his arm to host the conference. He suggested that the responsibilities for any conference be spread out among other community colleges in your area. In an effort to bring in high school teachers, he suggested that you schedule as part of your program topics that involve K-12 chemistry. In the planning guide, Dr. Bezirjian suggests that examples be given and a standard registration form be adopted. Also, a section on how to raise funds for the conference should be included. One thing that he considered a "must" is that a phone number for the Industrial Sponsors be given. He also stated that one should not deal with the sales representative; try to work with the Marketing Department of the company. Other matters that he spoke on were thorough directions in the Newsletter and a list of Industrial Sponsors in the Newsletter. Also, a standard format for the speaker to submit an abstract on. In closing, he said that 125 people had pre-registered.

Personnel Matters- Ed Heath

1. Chair-Elect:

The election for Chair-Elected ended in a tie. New ballots will be sent out with the top two vote getters on it. The ballots will be opened at the next COCTYC meeting in Dearborn, Michigan.

2. Membership-Chair:

Dick Jones was re-elected to a second three-year term.

1992 Budget-Duane Sell

The Chair requested an addition to the budget. He requested that funds be provided for the Assistant Industrial Sponsor to attend one meeting. **ACTION ITEM: A motion was made and seconded to provide support for the Assistant Industrial Sponsor to attend at least one 2YC₃ conference a year. The motion passed.**

Dick Jones asked about funds to update his mailing list. The funds are already in the proposed budget to take care of this.

Ed Heath requested permission to print more Newsletters. It was decided that at least 3000 Newsletters be printed. The funds are already in the proposed budget. **ACTION ITEM: A motion was made and seconded that the 1992 budget with the above addition be adopted. The motion passed.**

NSF Grant - Update and Travel - Dick Jones

Dick Jones said that 84 applications had been received for 1992 Workshop and 4 or 5 applications were received for the 1993 Workshop. Thirty six people were selected to be participants in the 1992 Two Week Summer Instrumentation Institute at the University of Dayton in conjunction with 2YC₃ and Sinclair Community College. NSF will not provide travel stipends. Discussion followed. No action taken.

Survey - Dick Jones

Age breakdown was left off the published survey. Age between 40-50 was the largest group. Two hundred and thirty surveys were received.

Contest - Duane Sell

It was decided to drop the contest.

DIVCHED Task Force - Margot Schumm

The Task Force on General Chemistry headed by John Spencer of Franklin and Marshall College wants 2YC₃ to appoint a liaison person to the Task Force to assist in grants writing to form a National Center for Research in General Chemistry. This person would also act as the representative of COCTYC. **ACTION ITEM: Duane Sell was nominated and seconded. No other nomination followed. Duane was approved by unanimous voice vote.**

Site and Calander- Dave Klein

The problem of the 131st meeting was discussed. The meeting will not be held in Santa Fe, New Mexico. Bill Wasserman, the West Regional Site Chair has been informed. Several new sites were mentioned, the 127th Conference will be held at Metropolitan Technical Community College, Omaha, Nebraska. The dates are tentatively set for April 15-16, 1994. The other new conference, also in the midwest region, is the 133rd conference which will be held during the early fall time frame of 1995 and held at North Area Iowa Community College, Mason City, Iowa.

Advisory Board Questionnaire - Margot Schumm

The questionnaire was sent to all members of the Advisory Board in order to generate a data base for the person doing the appointing. Term limits and how best to use the Advisory Board was discussed. The idea of a Regional Advisory Board meeting at the 2YC₃ Conference in that Region was suggested. This will be tried at the Amarillo meeting.

Summer Retreat - Ed Heath

The Retreat will be on March 28-30 in St. Louis, Missouri. Ralph Burns is taking care of local arrangements. The agenda for the retreat was discussed. It was decided that the primary reason for the retreat was to determine the mechanism on how this (2YC₃) organization is run. The agenda will include, but are not limited to, the duties of the Executive Committee members, role of the Regional Advisory Board, and the Regional Advisory Board Chair. The agenda will be finalized at the Dearborn meeting.

DIVCHED: Margot Schumm

The relationship between DIVCHED and 2YC₃ was discussed.

Old Business

The dates of the late fall conference were discussed. Elliott believes that no 2YC₃ Conference should be held after Thanksgiving. No conclusions were drawn.

Elliott also brought up potential problems with the 130th conference.

It was mentioned that Ace Glassware has not paid for their advertisement.

New Business

Dick Jones is the 1991 CMA Midwest Catalyst Award winner.

For local conferences, the Local Industrial Sponsor term is changed to Exhibits Coordinator.

Adjournment

The meeting was adjourned at 10:15 PM - Friday.

Respectfully , submitted,
