129th Two-Year College Chemistry Conference  
COCTYC Meeting  
Monroe Community College  
Rochester, New York  
October 7-8, 1994

ATTENDANCE:

Members: Wendell Massey, Ann Cartwright, David Klein,  
Duane Sell, Robert Kirkley, Dick Jones, Margot Schumm,  
Carol White

Guests: Jeffery Cramer, Gerry Nobiling, Terri Nally

CALL TO ORDER:

The meeting was called to order at 3:40 P. M. by the Chair, Wendell Massey.

129TH CONFERENCE:

Wendell Massey thanked Gerry Nobiling, Program Chair, from Monroe Community College for the excellent conference. A total of 111 people attended the conference. Mr. Nobiling commented that the COCTYC had been very helpful in planning the conference. He had received the Planning Manual and the mailing labels. He estimated that Monroe Community College had approximately \$1000.00 in expenses for the conference.

MINUTES OF THE 127TH CONFERENCE:

Under Personnel Matters, the minutes were corrected to read that Jeffery Cramer was appointed Treasurer, rather than elected Treasurer. The minutes were approved as corrected.

PERSONNEL MATTERS:

Wendell Massey asked members to sign a photograph of themselves; these are to be arranged in a frame and presented to Ed Heath, Past Chair.

Jeffery Cramer will begin his term as Treasurer on January 1, 1994. Duane Sell met with him to facilitate a smooth transfer.

Dick Jones submitted an application for Chair-Elect; there were no other applications. Wendell Massey will mail out ballots to COCTYC members by December 1, 1994. These are to be returned to Wendell and counted at the 131st Conference.

Robert Kirkley will include an announcement for Membership Chair in Vol. 95-I issue of the Newsletter. In the future, the Chair-Elect will insure that correct procedures are followed concerning announcements for the COCTYC positions.

Margot Schumm and Wendell Massey will serve as representatives of 2YC<sub>3</sub> on the Task Force for Transfer Programs of ACS.

#### FUTURE SITES:

David Klein reported on future sites. Queensborough Community College in Queens, New York was approved for the 134th Conference. The conference will be November 16-17, 1995. Paris Svoronos is the contact person. There was conditional approval of DuPage College, Chicago, Illinois, for the 138th Conference in the Fall of 1996. Approval will be finalized if the dates in September are acceptable to the committee. All new conferences must be approved by the COCTYC.

#### COLLEGE SPONSORS

Duane Sell reported there are twelve college sponsors that are charter member of 2YC<sub>3</sub>; these schools have twenty-five years of service. The Chair will send each school with twenty-five years of service a thank-you letter. In addition, it was decided to give each college that has been a sponsor for twenty-five years a plaque. A representative of each school will be invited to a Regional Conference to accept the plaque for the school.

In the future, when an invoice for College Sponsorship is sent out, a letter will be included stating what 2YC<sub>3</sub> does for the College Sponsor and has done for chemical education in two-year schools.

#### MEMBERSHIP REPORT:

Dick Jones reported there were 448 members as of September 15, 1994. He presented a sample draft letter which is to be sent to the four Regional Advisory Board Chairs by mid-January, 1995, by the COCTYC Chair. Brochures on 2YC<sub>3</sub>, mailing labels for the region, and a sample letter to board members will be included. Any changes and/or additions to the letter are to be sent to Dick.

#### INDUSTRIAL SPONSORS:

Carol White reported there are currently 16 industrial sponsors, down from 22 last year. It was approved to add a statement to the Planning Manual for Conferences indicating that host schools can not charge industrial sponsors for exhibiting at the conferences. All exhibitors must be industrial sponsors. Carol White is to contact Elliot Greenberg to have this statement added as soon as possible. In the future, all Planning Manuals should contain the printing date.

#### NEWSLETTER INFORMATION:

Robert Kirkley reported that the mailing labels will be generated at San Jacinto College for future issues. Dick Jones will provide updates for the list. For future issues, the editor will FAX as follows for proofing: the future lists of conferences to the Past Chair; industrial sponsors list to the Industrial Sponsors Chair; college sponsors list to the College Sponsor Chair; Conference Program to Program Chair at the host college; preliminary program to the appropriate Program Chair. Robert reported on costs for an outside printing company to print the Newsletters. The average cost would be \$1800.00 per issue as compared to \$450.00 charged by San Jacinto College. Wendell Massey will

write a letter to Dr. Thomas Sewell, Chancellor of San Jacinto College, thanking the college for their continued support of 2YC<sub>3</sub>. Robert is to send copies of the Newsletter first class to all members of the COCTYC. An application for Editor should appear in the Newsletter in 1995, as Robert's term expires at the end of 1996.

#### BIENNIAL:

Margot Schumm reported on the 13th Biennial Conference. Michaelleen P. Lee of Bucks County Community College was the representative for 2YC<sub>3</sub> at the Conference. Margot suggested that the presentations from the symposium discussing the four-year student versus the two-year transfer student in obtaining the baccalaureate degree be published. It was decided that Wendell Massey would obtain excerpts for the Newsletter. Margot also presented a draft of a proposal to study the status and outcomes of two-year college chemistry education. The final draft will be decided at the 130th Conference and presented to DivCHED. Carol White will represent 2YC<sub>3</sub> at the 14th Biennial at Clemson University and Uni Susskind will be asked to be the representative for the 15th Biennial in 1998; she is to select someone to help her.

#### VOTING MEMBERSHIP ON DivCHED:

Margot Schumm presented information concerning the possibility that DivCHED should consider the COCTYC (2YC<sub>3</sub>) as a subdivision rather than as a committee. Margot presented Bylaw X of DivCHED. Wendell will write up a proposal about Bylaw X for discussion at the 130th Conference. The mechanism for this change is in Section 2 of Bylaw X. One outcome of such a change would be that officers of the COCTYC would be elected differently. Margot Schumm will find examples of other petitions for status change from committee to subdivision.

#### OLD BUSINESS

New Regional Advisory Board Members need to be appointed. The new Regional Advisory Board Chairs are to be contacted as soon as possible to aid in the appointment of new members. As soon as these appointments are confirmed, the new Agenda Books will reflect these changes.

#### NEW BUSINESS

Exhibitors at Conferences: Exhibitors are to have paid \$100.00 to exhibit at all four conferences and be listed in the Newsletter as Industrial Sponsors. It was decided that an exhibitor could pay \$25.00 to exhibit at only one conference, but individual host colleges could not charge exhibitors in addition to this. Carol White is to rewrite the section on exhibitors in the Policies and Procedures for clarification.

Site Selection: David Klein recommended that site selection should be done three years in advance and each site be approved by the COCTYC. It was decided that each conference should have mentor. This mentor should be a member of the COCTYC, a past member of the COCTYC, or have run a conference. The current Chair should not act as

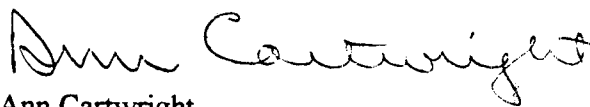

mentor. The mentor should contact the host college 2-4 times per month and plan a site visit. The site visit should determine location of motels, the banquet, the exhibitors, etc. Dick Jones is to submit a more complete job description by the 131st Conference. The following mentors were named: 131st Conference-David Klein, 132nd Conference-Dick Jones, 133rd Conference-John Kenkel, 134th Conference-Dick Gaglione, 135th Conference-Wendell Massey, 136th Conference-Bill Wasserman.

Number of Conferences: It was approved to continue with four conferences per year, but to include the Biennial and the C3 Conferences in the count. This will begin in 1997 or the 141st Conference. This will be done for two years and evaluated at that time.

Financial Status: Duane Sell spoke on the financial status and presented a proposed budget for 1995. He will send an update of the 1995 budget to each member of the COCTYC to be considered at the 130th Conference.

ADJOURNMENT:

The meeting adjourned at 8:30 p.m.

Ann Cartwright  
1994 Chair-Elect

## A Reminder

Affiliate Membership in the Division of Chemical Education can be obtained without joining the American Chemical Society. Division of Chemical Education membership costs \$10 per year and benefits include three *CHED Newsletters* a year (a valuable source of information on the leading edge of chemical education). Every two years, 2YC<sub>3</sub> joins the Division of Chemical Education in a joint meeting at their "Biennial" Meeting. The Committee On Chemistry in the Two Year College (COCTYC) highly recommends membership in the Division of Chemical Education. (Affiliate members have all membership privileges except voting and holding elective offices.)

To join the Division of Chemical Education, write to:

Sr. Mary Virginia Orna
