Call To Order

The meeting was called to order at 3pm Saturday October 5, 1996 by John Kenkel at Sinclair Community College. The meeting was halted for dinner at 5 p.m. and reconvened at the Radisson Hotel at 6:20 p.m.

I. Additions/Deletions to the Agenda

The following additions were made to the agenda:
SOCED Guidelines Invitational Conference
Industrial Sponsors Plaques
Industrial Sponsors exhibiting policy

II. Approval of Minutes

COCTYC Meeting minutes for the 136th Conference at Shoreline Community College were approved after the correction that Dick Jones not John Kenkel is on the Awards Committee.

III. Reports

A. Dayton Conference

Co-Program Chairs, Michael Canestaro and Jane Myong were praised for a strong program and well-run conference. Mike and Jane raised the issue of a need for a firm policy on local industrial sponsors who would not want to exhibit at other conferences and a need for a policy for not-for-profit exhibitors. Jane and Michael were then excused.

B. Personnel Matters

John Kenkel reported that there was a single candidate for Industrial Sponsors Chair. **John will mail out a ballot** to all members of the COCTYC in order to conduct an election. These mail ballots will be opened at the 139th meeting in San Antonio.

C. Future Sites

John Kenkel made the following announcements for Ann Cartwright: Edith Bartley has not yet responded to the invitation to be the mentor for the 147th meeting. The contact person for the 148th meeting at East Los Angeles College is Carcy Chan. We are still waiting a letter from their administration supporting the conference. Diane Ostojie is the contact person for the 150th meeting at South Suburban College in South Holland, MI. We are still waiting for a letter of support from their administration. Jay Bardole will mentor this conference. Tom Clark is the contact person for the 151st meeting at Westark Community College in Fort Smith, Arkansas. We have a letter of support from their administration and Dave Klein will mentor this conference. Kaveh Zarrabi is the contact person for the 152nd meeting at the Community College of Southern Nevada in Las Vegas. This meeting is in conjunction with national American Chemical Society meeting. We are waiting for a letter of support from their administration and we do not yet have a mentor yet. Dave Klein noted that the C₃ chairperson was surprised that we are listed with them for the 149th 2YC₃ meeting as C₃ does not plan that far ahead. **Carol White was asked to check on the progress of the 147th Conference. John will ask Ann to check for a possible site change for the 150th conference because of too many 2YC₃ meetings in the midwest during that time.**

D. Budget

Jeff Cramer is planning for the next budget. He is planning for \$4000 for the newsletter printing and he expressed concern for additional expenses for elections by the entire 2YC₃ membership. Jeff asked everyone to bring budget items for consideration to the San Antonio meeting. Dave Klein suggested that the conference seed monies saved from the joint 2YC₃ with C₃ be used to assist COCTYC members to travel to that meeting. John announced that the Division of Chemical Education allots \$667 for travel of their officers to DivCHED meetings. We will consider adopting this policy at San Antonio. **Jeff will write a letter to Elliott Greenberg informing him that prior approval by COCTYC for expenses is required.**

E. College Sponsors

Jeff Cramer suggested that conferences have a preregistration list available at the beginning of a conference in order that representatives from college sponsors be recognized at the Regional Advisory Board meeting. We currently have about 110 college sponsors, about the same as last year.

F. Membership

Carol White reported for Joanne Lin that there were 650 paid members as of October 1, 1996. Joanne sent out 1300 letters to members and past members asking them to seek industrial sponsors. In response to a question from Joanne, Dick suggested a date of November 15th as a good time to mail out 2YC₃ renewals.

G. Industrial Sponsors

Carol White reported that there are seven renewals for industrial sponsors. Industrial sponsors tend to wait to renew until they exhibit at a conference. A second renewal notice will be sent out soon.

H. Editor's Report

Jay Bardole, whose tenure as editor starts January 1, 1997, will look into the local situation after being warned that the Post Office is getting difficult to work with. He set tentative deadline dates for the 97-I and 97-II issues as November 15 and December 15, 1996, respectively. Jay plans to ask new and members of long standing for short essays on their perspectives on 2YC₃. John Moore was suggested as a possible person to write a short article. Jay will request the membership to include email and fax numbers in their communications.

I. DivCHED

John reported that DivCHED proposed a combined membership with 2YC₃ at a cost of \$20 instead of \$15 for us and \$10 for them. This would save our membership \$5 and might increase both memberships. The \$20 would be split \$12 to us and \$8 to them. **COCTYC members will study this proposal for discussion at San Antonio.**

John reported that 2YC₃ efforts were praised for the Biennial, and in particular, Carol White's efforts. 2YC₃ needs to find out how many of our members attended the Biennial. John's 2YC₃ report to DivCHED was well received. Betty Moore requested material from 2YC₃ for the Journal of Chemical Education. John Kenkel wrote an article, the first half of which appeared in the latest issue and the second half of which will appear in the next issue. **Dick Jones will write an article describing some of the talks at the 138th Conference.** We will need to determine how best to supply articles under the 2YC₃ name to the Journal of Chemical Education.

IV. Old Business

A. Regional Advisory Board Members

John Kenkel asked everyone to think about new members for the San Antonio meeting. There will be some people going off at the end of 1996 and there are some people who are moving.

B. Plaques for 25-Year College Sponsors

Carol reported that Essex Community College in Baltimore, MD is the only 25-year recipient this year. **John will write to them informing them of the honor.** A new plaque will be sent to Cuyahoga Community College to replace the damaged one.

C. Conference Guide Book Revision

Dave Klein reported that the book is up-to-date. Ann Cartwright has 15 copies and John Kenkel has the disk copy. **Ann will send a copy to Carol.**

D. Policies and Procedures Revision

Jay Bardole walked the COCTYC through the suggested revisions made at the Seattle meeting concerning voting procedures. **Jay will mail out clean copies to COCTYC for consideration at San Antonio. Jay will also compose a requirement that COCTYC nominees get a college support statement as part of their nomination materials. John Kenkel will mail out a notice for the nominations of 1998 chair elect. Everyone was asked to review the calendar for COCTYC business.**

E. Baseline Study

This was held over until the San Antonio Meeting.

F. Instrumentation Workshops

Dick Jones reported that the 2YC₃ Instrumentation Workshops went smoothly and that a proposal for renewal is at the National Science Foundation.

G. National Chemistry Week Teleconference

John reported that the invitation for us to participate in the teleconference was retracted

Added Item.

H. Joint meetings between 2YC₃ and C₃

Dave Klein will pursue the joint conferences with C₃.

V. New Business

A. 15th Biennial

Uni Susskind is the 2YC₃ contact person.

Added Items

B. SoCED Invitation Conference to rewrite the Guidelines for 2-Year College Chemistry Programs, September 27-29, 1996.

A separate Guidelines for Chemical Technology Programs and modern methods of delivery prompted SOCED to rewrite the current guidelines. A rough draft will be made available to the COCTYC for input.

C. Industrial Sponsors Plaques

The question was asked whether or not we should have plaques recognizing 25 years of sponsorship. **Carol White will look at the record to determine which companies have been sponsors for a long time.**

D. Industrial Sponsors

Jeff Cramer moved and Dave Klein seconded that exhibitors be offered a \$50 exhibit fee for one conference as well as a \$100 Industrial Sponsors fee allowing them to exhibit at all conferences during the year. The motion passed.

Jeff Cramer moved and Dick Jones seconded that not-for-profit

organizations be allowed to exhibit at conferences at no costs. The motion failed.

Jeff Cramer moved and Carol White seconded that 50% of \$50 exhibit fees and new \$100 Industrial Sponsors fees go to the department holding the conference. The motion passed.

Carol White was asked to check on the progress of the 147th Conference.

John Kenkel will ask Ann Cartwright to check for a possible site change for the 150th conference because of too many 2YC₃ meetings in the midwest during that time.
