**142ND TWO YEAR COLLEGE CHEMISTRY CONFERENCE
ADVISORY BOARD MEETING
NORTHAMPTON COMMUNITY COLLEGE
BETHLEHEM, PA
SEPTEMBER 26, 1997**

The meeting was called to order by Richard Jones at 8:30 a.m.

I. Introductions

The following were present and introduced themselves:

COCTYC members: Richard Jones, Chair; Carol White, Chair Elect; John Kenkel, Immediate Past Chair; Jeff Cramer, Treasurer/College Sponsor Chair; Jay Bardole, Newsletter Editor; Dave Klein, 1993 2YC₃ Chair, and seven 2YC₃ members were also present.

II. Minutes from the 140th Conference Regional Advisory Board, West Valley College

A. Advisory Board Approval

Minutes from the 140th Regional Advisory Board meeting at West Valley College in Saratoga, CA, are on page 2 of the 142nd Agenda Book. John made a motion that the minutes be approved as written and Jay seconded. The motion carried.

B. COCTYC Information

Dick Jones announced that information about the Committee on Chemistry in the Two Year College (COCTYC) can be found beginning on page 5 of the agenda book. A list of current national officers is located on the inside front cover of the agenda book and also on the front cover of each 2YC₃ Newsletter.

III. Reports

A. West Valley College Conference, April 11-12, 1997

Carol White reported on the 140th conference. The theme was "Chemistry Instruction for the 21st Century: An Industry Perspective." Bill Mooney was the banquet speaker and he discussed the history of 2YC₃. There were several interesting speakers and the meetings were well attended.

John Kenkel reported on the joint meeting with College Chemistry Canada (C₃) at Cornerbrook, Newfoundland, June 12-14, 1997. Cornerbrook is in a wonderful natural setting, and the planned outings related to the conference were quite memorable. It was an excellent conference and provided a lot of opportunities for meeting attendees to interact.

B. Treasurer's Report

Jeff Cramer reported that COCTYC has drawn upon reserves a little in order to increase support to colleges holding meetings. Seed money and training money is now provided to each host college. Jeff called attention to the complete budget report found on page 11 of the agenda book.

C. College Sponsor's Report

Jeff Cramer reported that there are 104 college sponsors on the list beginning on page 12

and three more have renewed to total 107. Jeff asked all present to encourage their colleges to become sponsors if they had not already done so.

D. Membership Report

In Joanne Lin's absence, Dick Jones reported that the 2YC₃ membership was 650 as of October, 1996, as shown on page 26 of the agenda book. The number of renewals for this year have not been added to the report as yet.

E. Industrial Sponsors Report

Michael Lee will be arriving tomorrow, so Dick Jones reported for her. There are currently 19 sponsors as listed on page 28. Everyone was encouraged to visit and talk with the exhibitors as much as possible during this meeting.

F. Future Meeting Sites

John called everyone's attention to the Conference Summary Calendar on page 29 of the agenda book. The 143rd Conference is to be held in Hastings, NE, in November of this year. Georgiana Whipple-Van Patter has worked very hard on making this an interesting conference. Everyone was encouraged to attend. The 144th meeting will be held at Tarrant County Community College close to Dallas and prior to the ACS national meeting in Dallas. The 15th Biennial Conference on Chemical Education will be held in Waterloo, Canada, during August, 1998. 2YC₃ will be hosting an ice cream social on Monday evening of the biennial. Uni Susskind is the 2YC₃ contact for this meeting. Uni sent John a report listing four symposia which are being organized by two year college people:

- History of Chemistry: Our Scientific Heritage (Jeanne Robinson, Seminole Community College, Sanford, FL)
- Four Year Schools on Trial. Charge: Failure to Articulate (John Clevenger, Truckee Meadows Community College, Reno, NV)
- Chemical Technology Education - 1998 and Beyond (John Kenkel, Southeast Community College, Lincoln, NE)
- Innovative Degree Programs in Chemistry and Related Subjects (Geoff Rayner-Canham, Cornerbrook, Newfoundland)

Other possible topics for symposia of interest to two year colleges are:

- Are Computers Getting Between us and our Students?
- Collaborative Learning and Problem-Solving: Enhancing the Learning
- Cooperative Learning in Chemistry: Research and Practice
- Fun Links: Teaching Chemistry with Humor
- Teaching Chemistry Through a Cultural Barrier

Anyone interested in organizing a symposium on one of these topics should contact Uni Susskind. The deadline for symposia proposals is December 15, 1997.

The dates on the Jacksonville meeting are November 20-21, 1998. The 1998 ACS president has already agreed to participate in the Jacksonville meeting and will make one or more presentations at that meeting.

G. Editor/Web Master

Jay Bardole announced that there are new job openings listed on the 2YC₃ web page. Jay asked that all members look at the web page and give him suggestions. The Newsletters for the Hastings meeting are ready and will be mailed out next week.

IV. Announcements

A. Chair Elect Positions, 1998

Dick Jones announced that Tom Gruber of Delgado Community College in New Orleans was elected 1998 Chair Elect. The next elections held by 2YC₃ will be voted upon by the entire membership as provided for in the new policies and procedures guidelines.

B. 15th Biennial

The 15th Biennial has been discussed previously during the future sites report.

C. DivCHED

Ann Cartwright is the liaison between 2YC₃ and DivCHED. Ann was unable to attend this meeting since President Clinton planned a visit to her campus today. Ann was one of several faculty members who were scheduled to meet with the President. Dick reported that many positive changes have occurred including positive changes in attitudes toward 2YC₃ members since Ann became 2YC₃'s liaison to DivCHED. DivCHED and 2YC₃ are offering a reduced rate for joint membership in 2YC₃ and DivCHED for people joining DivCHED for the first time. Ann has gotten about 10 people to write articles to be included in the *Journal of Chemical Education*. Several articles have already appeared as a special section for 2YC₃.

D. Other

Dick commended Ron DeStefano on all of his hard work in organizing this conference. The program appears on pages 39-40 of the agenda book and he encouraged everyone to attend as many of the sessions as possible.

V. Introduction of New Arrivals

Several new arrivals were introduced and welcomed to the meeting.

VI. Adjournment

The meeting was adjourned at 9:15 a.m.

Respectively submitted by Carol White, 1997 Chair Elect

Guests: Ron DeStefano, Dave Klein and Terri Nally.

Call to Order

The meeting was called to order by Dick Jones at 12:50 p.m.

I. ADDITIONS/DELETIONS TO AGENDA

The following item was added to the agenda:

John requests the addition of an item under new business-other.

The following item was deleted from the agenda:

Item IV. C. will be deleted from the agenda since it has been covered in the Newsletters.

The following changes were made in the agenda:

Dick will report on DivCHED in Ann's absence.

The order of the agenda was changed to allow guests to leave the meeting.

II. APPROVAL OF MINUTES, 140TH CONFERENCE

The minutes for the 140th conference are in the agenda book, page 5. **John moved and Jay seconded that the minutes be approved as written. The motion carried.**

III. REPORTS

A. Northampton Community College, Ron DeStefano

- Dick asked Ron for feedback on the 140th meeting. Ron said it is the first time he has run a conference and the only real problem he experienced was with the vendors. The planning book is excellent and Liz Smith followed all of the procedures, but vendors came in at the last minute.
- Flinn Scientific requested a list of registrants and a list of 2YC₃ members. COCTYC has not given out the membership list before for private purposes. We agreed that Ron could send Flinn a list of the registrants of the conference, and he should tell Flinn to contact Dick about the membership list. Terri said that ACS does sell labels. **Dick will put this item on the agenda for discussion at the Hastings meeting.** Jeff gave Ron a follow up sheet to report conference finances. Ron said that speakers are beginning to ask for travel and conference planners need to be especially aware of ACS policies.
- The COCTYC members congratulated Ron on conducting a very successful conference.

B. Personnel Matters, Dick

- The Regional Advisory Board lists to be carried forward for the next year need to be updated. **Dick asked the COCTYC to check these lists before the Hastings meeting and this item will be on the agenda.**

- The upcoming election for 1999 Chair Elect was discussed. **Dick will collect documentation from the candidates and prepare the ballot which will include a short professional biographical sketch on each candidate, using the official ACS election procedures.**
- The Assistant Industrial Sponsors Chair term expires at the end of 1997. **Dick will write a thank you letter to Mary Graff for her work in that position and will ask her to forward the records to Michaeleen Lee.**
- There are several positions on the COCTYC that will need to be filled for 1999. **The position announcements to be placed in the first 1998 Newsletter will be discussed at the Hastings meeting.**

C. Future Sites, John

- Maps were left out of the Newsletter for the Hastings meeting. **Jay will call Georgiana Whipple-Van Patter and decide if maps need to be mailed to everyone.**
- Carol reported on the 140th meeting held at West Valley College in Saratoga, CA. Bill Mooney was the banquet speaker and he discussed the history of 2YC₃. The theme for the meeting was "Chemistry Instruction for the 21st Century: an Industry Perspective." The meeting was well attended and the speakers were very interesting.
- John reported on the Bismarck meeting. Frank Koch has been calling John with questions--a good sign that Frank is getting on top of things. John will arrange for a visit sometime before the Newsletter is due the first of June. **Jay will write Frank Koch to request a finalized program for the Bismarck meeting before the 1998 Biennial Newsletter.**
- Reg Friesen suggested we hold a COCTYC business meeting at the 15th biennial and make it a "technical" session with brainstorming of new ideas. **Dick will discuss this further at Hastings. Dick will talk to Uni and let her help to plan this meeting.** John reported on the 15th biennial yesterday at the Advisory Board meeting. Uni Susskind has four symposia being planned. 2YC₃ has been asked to host an ice cream social on Monday evening at Waterloo. **John Clevenger is collecting information from two year schools on transfer data for a presentation at the biennial and is requesting anyone with transfer data to let him know.**
- John found the South Holland administrator's letter. That meeting site was already approved by the COCTYC pending finding that letter. Jay is the mentor for South Holland.
- The dates on the Jacksonville meeting are November 20-21, 1998. John said that NSF-ATE meetings are likely to be that weekend and several COCTYC members would have to go to Washington. **John will check with NSF to determine their meeting dates.** The ACS president has already agreed to participate in the Jacksonville meeting, so it is not advisable to change the dates. Ann's colleague is still willing to help with the Jacksonville meeting, but it may not work out well because of the distance involved. **We will wait until Hastings to discuss the Jacksonville meeting with Wendell.**
- The Spring 2000 ACS Las Vegas meeting is being moved to Atlanta. John has just received confirmation for the 2YC₃ meeting in Las Vegas. Dick Gaglione has volunteered to help with this meeting and has visited the site. It may be possible to move the Las Vegas meeting to the fall and look for a site near Atlanta for the spring meeting. Carol reported that Gary McGlaun at Gainesville College north of Atlanta has previously expressed interest in hosting a meeting. **We will discuss further and make a final decision at the Hastings meeting after the ACS has officially located their meeting in Atlanta.**
- Dave suggested listing the mentor for each meeting on the conference calendar and **John agreed to add those names.**

- It was noted that Tom Gruber, 1998 Chair-Elect, should begin making contact with his meetings. **Carol will contact Tom.**
- John has not contacted Ray Turner about hosting meeting at Roxbury College in Boston as yet because the discussion about a joint C3 meeting came up. C3 sent John an E-mail indicating that they want to have a joint conference with us in the east and would commit C3 to sponsoring a lunch and speakers. Dave voiced concerns about Roxbury's location for the joint meeting. There was some discussion about meeting in conjunction with CHEMED which will be in Fairfield, CT, at Sacred Heart University, but Dick felt we should not miss an opportunity to have a joint meeting with C3. Michaelleen suggested Erie Community College as a possible eastern site. **Carol moved that we hold a joint meeting with C3 during the spring/summer of 1999 and Jeff seconded. The motion carried. Dave will contact Diane Schulman.** Perhaps Jerry Nobeling could be the mentor. **We will need to vote on the location of the joint C3 meeting by Hastings. Dave will work on this.** C3 has a big wine and cheese mixer on Thursday nights, and we would want to hold such a mixer at a joint meeting.
- John reported all other future sites are set.

D. Budget, Jeff

- Jeff has developed forms for Industrial Sponsors money to be reported to him and he gave copies to Michaelleen. **Jeff will develop a form for the Assistant Industrial Sponsors Chair to keep up with advertisements.**
- Jeff has been sending out a form to financially account for the meetings with a record of new members, but all of the meetings have not returned these forms. It will be of value for future meeting planners. Some money was returned from the San Antonio meeting.
- Dave brought up that the joint membership form must be in registration book.
- **Jeff is working on an income statement to try to match expense areas with income areas to determine which expenses are being incurred by which income areas.** We have operated on a deficit for the past few years. Now that we have achieved our goal of spending down reserves, Dick suggested that we carefully look at spending. Jeff suggested that we wait and see how this year will go. **He will prepare next year's budget and will know the summary budget for this year by the Dallas meeting.** We want to bring the budget back into balance. We will need to increase income areas-all sponsors and members.
- John asked when the amount from DivCHED was last increased. Should we ask for an increase in the DivCHED money? **This will be discussed further at Hastings.**
- Dave suggested that DivCHED members be asked to join 2YC₃. This will be discussed later in agenda. We could give DivCHED members a reduced rate for joint membership the first year. ACS bills for renewals and it may not be possible to continue the discount.
- John attended business C3 meeting at Newfoundland and C3 has their books audited annually. **Jeff will check into whether we should audit the books each year;** it could be an unofficial audit. Duane Sell had an audit done when he sent the records to Jeff and it cost about \$200. An audit should definitely be done when the treasurer changes.
- Items that are sold at meetings were discussed. Wendell still has some pins and **Dave will contact Wendell about the pins.**

E. College Sponsors, Jeff

- Jeff reported that 104 College Sponsors are on the list and three more have renewed to total 107. Two or three schools are scheduled to send in their memberships for a total of 110. **Jeff requested any corrections to the College Sponsors listing be sent to him.**

F. Membership, Joanne (not present to report)

- The membership report on page 26 the agenda book has not been updated for a year. The list needs to be verified. All of our Chair Emeriti should on the list. Jeff has received money for 392 members this year. **Dick Jones will update and revise the membership page listed for DivCHED and make sure that Chair Emeriti are on our mailing lists.**

G. Industrial Sponsors, Michaelleen

- Michaelleen has updated the list of Industrial Sponsors, removing names that have not renewed in the past two years. 19 are still listed and of those, 10 have paid. Book companies have merged, changed their listings, and many have not paid. Gow Mac has returned after being dropped for two years. One exhibitor sent in a \$50 check just for this meeting and will not be listed as an Industrial Sponsor. Michaelleen has already sent information to the three meetings next year for the Local Exhibits Coordinator.
- **Dick will talk to Uni about the sponsors at the biennial.** Our sponsors must pay special fees to exhibit there, and Uni needs to get us exhibit space. We shared a booth with DivCHED at the past two biennials.
- Jay reported that only a few Industrial Sponsors have requested being linked to our web page. Terri suggested that we should consider charging for the URL connection and **we will discuss this at the Hastings meeting.**

H. Editor's Report, Jay

- Jay announced the following Newsletter Deadlines:
 - First Newsletter deadline--Dec 1, 1997
 - Second Newsletter--April 1, 1998
 - Third Newsletter - June 1, 1998
 - Fourth Newsletter - Aug. 15, 1998
- Jay said that part of what we do as an organization is to communicate with teachers and help them. There was a medium-sized crowd at this meeting--it would have been good if others could have heard this meeting. We need to hyper-link authors to abstracts. Dave reminded us that we used to have recording people--someone went to the talk and literally wrote the abstract. We could make a "proceedings book" to send it out at the end of the year and which could also be put on the web. Past meetings abstracts have not materialized even though they were supposedly sent in. In order to get abstracts, the program chair has to really keep after people. Perhaps we could get the abstracts electronically and put them on the web page. Abstracts can attract people to the meeting. **Jay will contact the Dallas meeting about getting abstracts.**
- We discussed whether to continue to place the college sponsorship form in the Newsletter. Jeff does get a few that way. Inclusion of the form will be left to the discretion of the editor.
- **Dick will find out about voting privileges for affiliate members of DivCHED and let Jay know before the Dec. 1 deadline.**

I. DivCHED, Ann

- Dick gave report in Ann's absence. Ann has been quite active in getting articles in the *Journal of Chemical Education*. A detailed report was given at the Advisory Board meeting yesterday. We are getting positive feedback from our articles. Perhaps we could summarize Mary Virginia's speech at the banquet as one of our articles. **Jay will hear Mary Virginia again soon and will ask her about summarizing her talk. Dick will abstract Bill Mooney's speech from Saratoga and see if the *Journal* will want to accept it.**

- Ann is on the publications committee, on the nominating committee and on a blue ribbon panel for the 75th anniversary of the *Journal of Chemical Education*. There are three two-year college candidates up for office. Uni for chair and Dick Jones and John Clevenger for councilors. Diane Bunce is stepping down as member-at-large and **we need to consider who to run for that office.**
- Dick said that he thinks we should set up \$25 for joint membership dues for everyone, not just new DivCHED members. However, if someone joins at our fourth meeting, there may be a problem since DivCHED membership is on the calendar year. **Dick will check to see if this can be done.**
- John brought up the fact that with the spring DivCHED meeting several COCTYC members miss the Saturday part of our 2YC₃ meeting. We may need to discuss a better way of resolving this problem.

IV. OLD BUSINESS

A. 2YC₃/DivCHED dues structure for members, Dick

- This item has been discussed and **Dick will check on the feasibility of joint dues.**

B. Canada Conferences, Dave and John

- Everything went well in Newfoundland and it was a great conference. We should continue having joint meetings with C3 as long as the geography is right. It will mean that we may have to keep an opening in our calendar since the C3 meetings are not planned as far ahead as our conference planning calendar.

C. Policies and Procedures Revision - DELETED FROM AGENDA

D. 15th Biennial, John (Uni)

- It was discussed that COCTYC budgeted \$2000.00 for the 14th biennial and 2YC₃ sponsored an Ice Cream Social. **Jeff moved and John seconded that Uni be notified that COCTYC will fund \$2000.00 to be used at her discretion for the 15th Biennial and 2YC₃ will commit to hosting the ice cream social. The motion carried. Dick will contact Uni.**
- John announced that the deadlines for the Biennial are: Dec 15, 1997, for symposia proposals and Feb 1, 1998, for abstracts being sent to Anna Wilson. Dave has concerns about the late date of the Biennial conflicting with school calendars that may cause some attendance problems.

V. NEW BUSINESS

A. DivCHED Report, Dick - has already been discussed.

B. New membership forms - have been discussed; Dick collected feedback by E-mail.

C. Other

- John requested a letter from the COCTYC to support his proposal for a Center for Chemical Technology Education. The letter should state that 2YC₃ will continue to support chemical technology programming at meetings and will encourage the use of its Newsletter for dissemination of information about chem. tech. **Dick will write the letter.** Dick reminded Carol that she will need to make up stationary for next year.
- **Dick will make sure that the agenda booklets go to all of the Chair Emeriti.**

VI. ADJOURNMENT

Jeff made a motion to adjourn and Jay seconded. The motion carried.
