**150th Two-Year College Chemistry Consortium
General Membership Meeting Minutes
Westark College
Fort Smith, AR 72903
November 5, 1999**

Tom Gruber called the meeting to order, at Westark College, at 12:20 AM.

I. Introductions

Those present at the meeting introduced themselves. COCTYC members present were Rick Bolesta, Jeff Cramer, Tom Gruber, Dick Jones, John Kenkel, and Carol White.

II. A. Tom noted that the minutes of the 149th 2YC₃ Conference held at South Suburban College, South Holland, IL, held September 14-15, 1999, are found on page 2 of the agenda book.

B. Tom Gruber explained the role of the COCTYC and the goals of the 2YC₃.

III. Reports

A. Rick Bolesta reported on the 149th 2YC₃ Conference held at South Suburban College. The theme was "Uses of Technology to Enhance Chemical Instruction." The program chair, Joe Selbka, had a lineup which included chemical instruction on-line, instrument sharing on the internet, and workshops on computer augmented laboratory and molecular modeling. The keynote speaker was George Bodner from Purdue University who talked about the history of computer-based instruction and the impact of its use. The banquet was held at Joliet College and the dinner was prepared by students in their award-winning culinary arts program. George Bodner was the banquet speaker.

B. Treasurer's Report. Jeff Cramer, Treasurer, gave his report. Our net income as of 12 October, 1999, is \$18,088.79. There are no remaining reserves.

C. College Sponsors. Jeff Cramer reported there are approximately 120 current college sponsors of the 2YC₃.

D. Membership. Dick reported there are currently 305 2YC₃ members.

E. Industrial Sponsors. There are currently 18 industrial sponsors as listed on page 32 of the agenda book.

F. Future Meeting Sites. Carol noted the locations of the sites of future 2YC₃ Meetings, which are listed on page 33 of the agenda book.

G. *Outlook* Editor, Web Master. Tom explained that the *Outlook* was one of the major ways of communicating meeting programs and abstracts (when available), notes from the Chair, what is happening in chemical education and teaching tips. In the future our

Web site, currently at <http://jbardole.vinu.edu> will become a major source of information.

H. DivCHED. Carol White, DivCHED liaison, explained that the 2YC₃ has major input into the activities of the Division. The 2YC₃ is looking into linking meetings with regional ACS meetings.

IV. Announcements

A. 16th Biennial Chemical Education Conference. Dick is serving as Program Chair for the Two-Year College Section and listed symposia topics. The 2YC₃ will co-sponsor an Ice Cream Social with J Chem. Ed.. He invited us all to come to the University of Michigan this summer.

B. Journal of Chemical Education. Carol noted that Ann Cartwright, former 2YC₃ chair, would like to have more reviewers for Journal articles. She also edits a 2YC₃ column in the Journal and needs authors of 500 word articles. Subscription to J. Chem. Ed. includes both the print version and the on-line version.

C. New Conference Fees. Tom Gruber explained the new conference fee structure, which will begin in the year 2000.

D. COCTYC Offices. Tom Gruber announced openings for the 2001 Chair-elect, Treasurer, and Newsletter Editor positions of the COCTYC.

V. Introductions. There were no late-comers to introduce.

VI. The meeting was adjourned 1:00 PM.

Respectively submitted,
Rick Bolesta, Chair-elect

**150th Two-Year College Chemistry Consortium
COCTYC Meeting Minutes
Westark College
Fort Smith, AR 72903
November 6, 1999**

The meeting, held at Westark College, was called to order at 2:30 PM by Tom Gruber, Chair.

Attendance

Members: Rick Bolesta, Jeff Cramer, Tom Gruber, Dick Jones, John Kenkel, and Carol White

Guests: Tom Clark and Sharon Rogers

I. Additions/Deletions to Agenda

Additions by Tom Gruber were inserted under new business.

II. Approval of Minutes, 149th Conference

The minutes for the General Membership Meeting and the COCTYC meeting were approved, with corrections. **As of this meeting, the Chair-elect, acting as the recording secretary, will keep the official approved minutes book, with corrections noted.** Minutes in the book before the Westark meeting may or may not have the corrections noted.

III. Reports

A. Westark College, Tom Clark and Sharon Rogers

There were 54 registrations at the conference. Sharon expects the conference income will cover the expenses with some left over. The committee informed her the extra, not owed to the 2YC₃, will remain at Westark for use by the chemistry department. **Tom Clark expressed disappointment that no industrial sponsors showed up at the meeting even though they had been lined up. Tom Gruber suggested that Michaeleen should follow up to discover the reason for their non-attendance.** Tom Clark also expected a greater High School involvement. It was suggested that personal contact with the Superintendent of Schools to garner support would be useful. Tom appreciated the support given by the mentors and was proud to have sponsored the meeting. The committee thanked Tom and Sharon for their efforts.

B. Personnel, Tom

There were no nominations for Newsletter Editor to date. Jay has agreed to start the process rolling for the first year-2000 newsletter, since its deadline must be Dec. 15 of this year. Ed Dobrzynski, from North Iowa Area Community College, has agreed to be nominated as Treasurer. **Tom will send letters to other prospects for Treasurer and Newsletter Editor and will contact the COCTYC with results. A motion was made, seconded and passed to**

accept nominations of Clarita Bhat, from Shoreline Community College, and Bill Haley, from San Antonio College, for the 2001 Chair-elect position.

C. Future Sites, Carol

Carol asked and obtained permission to change the format of the Future Sites page to a calendar year rather than an academic year format.

Rick is the mentor for the 151st conference at Diablo Valley College. He has had only one-way contact with the program chairs. He will initiate phone contact and if he thinks it necessary will visit the site.

Vincennes University has expressed an interest in hosting the 154th conference and is working out the details. This would be a replacement site for the University of Cincinnati, which had to withdraw as host. Jay Bardole would act as facilities chair and Tom Gruber could act as co-program chair. The 156th conference is still open but suggestions of a Texas or South Carolina site were made. The dates of the 157th conference will be Sept. 14 and 15, 2001. Lance Lund (llund@an.cc.mn.us) will be program chair.

D. 16th Biennial, Dick

Planning is going well. There are eight symposia scheduled and the call for papers has been sent out. Dick anticipates the cost to 2YC₃ will be approximately \$2000. Most of that cost will be from the "traditional" ice-cream social, which will be a joint venture with DivCHED.

Dick was informed that we will need meeting rooms and agenda times reserved for a General Membership Meeting and COCTYC Meeting at the Biennial.

We will share the cost of a booth with DivCHED and JCE. Carol will investigate the cost of sharing a booth with DivCHED and JCE at the ACS national meeting in San Francisco. We will participate if it is free to the 2YC₃.

E. Budget, Jeff

Jeff's report was included in the agenda book. Our net income as of 12 October, 1999, is \$18,088.79.

Jeff introduced the idea of adding shirts (T-shirts or golf shirts) to our list of items available for sale at meetings.

Jeff proposed a Year-2000 Travel (\$19,200) and Income and Expense Budget (\$3,400, net) for discussion. A motion was made, seconded and passed to accept the proposed budget with changes.

Jeff suggested that we consider a private newsletter publisher (such as Kinko's) to make transfer of newsletter editorship more facile.

F. College Sponsors, Jeff

There are approximately 120 active college sponsors for 1999. The new college sponsor chair and treasurer should have Microsoft Money, Access, Excel and Word to allow transfer of information.

G. Membership, Dick for Dolores

1999 membership to date: 305. Membership is low for this point of the year. Dick thinks we should invest in a 2YC3.org WEB-site. Jay has researched and e-mailed Tom the costs associated with this action, but Tom had computer problems and didn't have the information available.

H. Industrial Sponsors, Carol for Michaelleen

There are 18 industrial sponsors, reported in the agenda book. Michaelleen suggested by e-mail that the sponsors would probably be willing to increase their support level. **A motion was made, seconded and passed to increase the industrial sponsor fee to \$200 and a one-time exhibit fee to \$100.**

I. Editor's Report, Tom for Jay

Deadline for contributions for 1st year-2000 newsletter is December 15. Rick was reminded that he would need to be sure the Diablo Valley College portion was ready to go and also provide "Notes from the Chair" to Jay. Jeff was reminded to have his College Sponsors portion ready.

J. DivCHED, Carol

Carol was elected Councilor and Conrad Stanitski was elected Chair of DivCHED for 2001.

Our policies and procedures may not align with those of DivCHED. Carol has a copy of DivCHED policies and procedures and will inform us of any discrepancies.

Diane Bunce is trying to shorten DivCHED meetings. Reports must be pre-submitted and thus do not need to be read at the meeting. The San Francisco meeting will be a trial run.

K. J Chem Ed, Carol for Ann

Ann Cartwright is looking for articles from two-year college people, reviewers, and people to work the booth at ACS meetings.

IV. Old Business

A. 2YC₃ URL and Newsletter on the Internet, Tom for Jay

Tom asked Jay to investigate the possibility and cost of obtaining a unique web-site address for the 2YC₃. Jay e-mailed the information but because of Tom's computer problems, the information was lost. When Jay re-submits the information, Tom will initiate discussion by e-mail.

B. Regional Advisory Board Members, Carol

Carol commented that the RAB list needs to be updated. Tom will contact the members with terms ending in 1999. Tom and Carol will collaborate on new members.

C. Financial Audit, Jeff

Tom, Carol and Rick will perform an in-house financial audit after the COCTYC meeting.

D. Twenty-Five-Year Plaques, Carol

Twenty-six plaques have been purchased. One was presented to Dick Jones representing Sinclair Community College at the banquet during this conference.

E. Policies and Procedures – COCTYC Candidate Qualifications

Tom will e-mail a motion for a change in COCTYC candidate qualifications.

F. Conference Planning Manual Revision, Tom

The manual is still in the process of being revised.

G. Insurance, Carol

Carol had no additional information on the question of liability insurance for 2YC₃ meetings.

H. COCTYC Program Chair, Tom

Tom revisited the idea of changing the policies and procedures to include new job descriptions for past chairs. The immediate past chair (2000) would spend the next three years acting as program-chair mentor backup. The next past-chair (2001) would spend three years with responsibility for future sites. The next past-chair (2002) would spend three years as JCE liaison. This would provide continuity in the organization. These responsibilities would need to be communicated to nominees.

Tom will initiate further e-mail discussion on the job description change for past chairs.

I. Stamps/Pins and Banners

Some part of these are in the mail from Wendell.

V. New Business

A. Adoption of Budget for Year 2000, Jeff

See Treasurer's report above.

B. Policies and Procedures – COCTYC/ DivCHED, Carol

See DivCHED report above.

C. New banners, Rick

Rick suggested that the banners if found should be replaced/updated to include the new logo which is displayed in the Outlook Newsletter.

D. Mentors

Jeff was appointed mentor for the 157th conference and Terry Beam was suggested as mentor for the 155th conference.

E. Farewell, John

John expressed his thanks for the privilege of working over the last five years with the COCTYC. Thanks for his friendship and many years of contributing to improvement of chemical education was returned by the COCTYC.

VI. Adjournment

The meeting was adjourned at 5:30 PM.

Action Items:

As of this meeting, the Chair-elect, acting as the recording secretary, will keep the official approved minutes book, with corrections noted.

Tom Clark expressed disappointment that no industrial sponsors showed up at the meeting even though they had been lined up. Tom Gruber suggested that Michaeleen should follow up to discover the reason for their non-attendance.

Tom will send letters to other prospects for Treasurer and Newsletter Editor and will contact the COCTYC with results.

Rick is the mentor for the 151st conference at Diablo Valley College. He has had only one-way contact with the program chairs. He will initiate phone contact and

if he thinks it necessary will visit the site.

Dick was informed that we will need meeting rooms and agenda times reserved for a General Membership Meeting and COCTYC Meeting at the Biennial.

Carol will investigate the cost of sharing a booth with DivCHED and JCE at the ACS national meeting in San Francisco. We will participate if it is free to the 2YC₃.

Tom asked Jay to investigate the possibility and cost of obtaining a unique web-site address for the 2YC₃. Jay e-mailed the information but because of Tom's computer problems, the information was lost. When Jay re-submits the information, Tom will initiate discussion by e-mail.

Tom will initiate further e-mail discussion on the job description change for past chairs.

Motions:

A motion was made, seconded and passed to accept nominations of Clarita Bhat, from Shoreline Community College, and Bill Haley, from San Antonio College, for the 2001 Chair-elect position.

Jeff proposed a Year-2000 Travel (\$19,200) and Income and Expense Budget (\$3,400, net) for discussion. A motion was made, seconded and passed to accept the proposed budget with changes.

Membership Report

Memberships for the year 2000 to date: 242

Joint memberships included above: 14

The above figures represent an increase of 63 members compared to this point last year. The number of new joint memberships is down due to the large number of members who have already taken advantage of the offer for a discounted joint membership with the ACS Division of Chemical Education for first-time division members. During 1999, 74 members of 2YC₃ became members of the division by taking advantage of the joint membership one-time offer.

Travel and Lodging

Diablo Valley College is located in Northern California. It is in the East Bay, 25 minutes from Berkeley by auto and 40 minutes from downtown San Francisco by BART train (Bay Area Rapid Transit). For more information on locale, the college and DVC chemistry please refer to the following Web sites.

<http://ep.llnl.gov/msds/2YC3>

<http://www.dvc.edu/college/maps/directions/default.htm>

Airports & Transportation:

The two closest major airports are San Francisco (SFO) and Oakland (OAK). Although San Francisco is the larger of the two and therefore has more choices in term of flights; it is under construction and chaotic when it comes to car rental, location of huttles, etc. If you are not planning on going to the ACS meeting, we would recommend flying in and out of Oakland. Both airports have shuttles which connect to BART (Bay Area Rapid Transit) and East Bay Connection offers a shuttle service (by reservation) to the hotel or campus. Getting around the Bay Area by car can try one's patience during commute times. There are many bottlenecks, the worst of which are the bridges and tunnels. The hotel and campus are easily accessed by BART or shuttle.

East Bay Connection Airport Shuttle: 1-800-675-3278

<http://www.eastbayconnection.com>

BART (Bay Area Rapid Transit) <http://www.bart.org>

Oakland Airport = Coliseum Station

San Francisco Airport Information: <http://www.sfoairport.com>

Hotel:

Sheraton Concord Hotel

45 John Glenn Dr.

Concord, CA 94520

925-825-7700

We have reserved a block of rooms for Thursday, Friday, and Saturday at a rate of \$89 per night plus tax. When you call for reservations make sure to mention that you are with the DVC/2YC3 conference. The hotel provides a shuttle within a five-mile radius of the hotel, which would include the DVC campus and Concord BART station. You will not need to rent a car if your main objective is to go to the conference and airport.

Points of Interest:

The Bay Area has a wealth of recreational opportunities. A good web site to explore is <http://www.hotcoco.com>. The local newspaper provides this web site so it covers local weather and connects to travel web sites throughout the Bay Area. If you are interested in spending more time in the area and need suggestions please e-mail Claudia Hein (chein@dvc.edu) and we can personally assist you with arrangements according to your interests and available time. The ACS web site will also have information on tours and points of interest posted on their web site.
