## 2YC3

### TWO YEAR COLLEGE CHEMISTRY CONFERENCE

162nd Conference

### DIVISION OF CHEMICAL EDUCATION

Delgado Community College

### AMERICAN CHEMICAL SOCIETY

615 City Park Ave.

New Orleans, LA 70119

March 21 and 22, 2003

## Theme: "A Chemical Gumbo"

Gumbo - a famous New Orleans soup

### Friday, March 21:

8:00 – 4:00                      **Registration and Exhibits – Student Life Center**

8:00 – 9:30                      **Mini-continental breakfast**

9:00 – 9:15

### Welcome and Opening Remarks

Dr. Terry Kelly, Chancellor, Delgado Community

College

Dr. Katherine Sippola, Vice-Chancellor, Academic

Affairs, Delgado Community College

Dr. Jeff Smith, Provost, City Park Campus, Delgado

Community College

### Morning Presentations

9:15 – 10:00

### *The Latest in MicroLAB Instrumentation*

John Amend, Montana State University,

[jamend@montana.edu](mailto:jamend@montana.edu)

Dale Hammond, Microlab, [hammond@byuh.edu](mailto:hammond@byuh.edu)

10:00 – 10:45

### *Teacher as Grader, Teacher as Assessor:*

*Changing Roles*

Janice Denton, Univ. of Cincinnati – Raymond  
Walters College, [dentonjm@ucrwcw.rwc.uc.edu](mailto:dentonjm@ucrwcw.rwc.uc.edu)

10:45 – 11:00

**Refreshment Break – Exhibits Area**

11:00 – 11:45  
*of the Two-Year Educator*

*The Division of Chemical Education and the Role*

[rjones@sinclair.edu](mailto:rjones@sinclair.edu)

Richard Jones, Sinclair Community College,

College, [clevenger@scs.unr.edu](mailto:clevenger@scs.unr.edu)

John Clevenger, Truckee Meadows Community

11:45 – 1:15

**Lunch Break** – Lunch on your own. Suggest the  
**Vieux Carre Café** on the first floor of the Student Life Center.

[jbardole@indian.vinu.edu](mailto:jbardole@indian.vinu.edu)

9:45 – 10:30

***Rubippy***

Lisa Bell-Loncella, University of Pittsburgh,

Johnstown, [etbell+@pitt.edu](mailto:etbell+@pitt.edu)

10:30 – 10:45

**Refreshment Break – Exhibits Area**

10:45 – 11:30

***Building a Successful Chemical Technology***

***Program***

Joseph Rosen, New York City College of

Technology, [chem\\_la@hotmail.com](mailto:chem_la@hotmail.com)

11:30 – 12:15

***Use of WebCT in a Web Enhanced Chemistry***

***Course***

Jeff Kramer, Stark State College,

[JCramer@starkstate.edu](mailto:JCramer@starkstate.edu)

Howard Lorson, Stark State College

**Morning Workshop**

9:00 – 12:00

***“Chemistry”- A New Activity-Centered Textbook***

***and Supporting Materials Workshop***

Jerry Bell, Senior Scientist and Chief Editor,

CHEMISTRY, [j\\_bell@acs.org](mailto:j_bell@acs.org)

Education and International Activities Division,  
American Chemical Society

12:15 – 1:30                      **Lunch** – Box Lunch on Campus/**2YC3 Forum** –  
meet and share ideas with the leadership of 2YC<sub>3</sub>
