##### Anoka-Ramsey General Education Courses

The Minnesota Transfer Curriculum (MnTC) helps students transfer their general education courses from two-year to four-year colleges and universities. Several of the required math and science courses fulfill MnTC goal areas. For more information on the MnTC, go to the following website: <http://www.anokaramsey.edu/resources/transfer/mntc/>

##### Admission to the University of Minnesota Civil Engineering Program

By completing the courses listed in the transfer table that are required for admission to the College of Science and Engineering and the Civil Engineering Major, you will transfer directly into the Civil Engineering Major at the University of Minnesota.
