**Anoka-Ramsey General Education Courses**

The Minnesota Transfer Curriculum (MnTC) helps students transfer their general education courses from two-year to four-year colleges and universities. Several of the required math and science courses fulfill MnTC goal areas. In addition to completing the MnTC, the University of St. Thomas requires two additional core courses to be completed at the University of St. Thomas. For more information on the MnTC, go to the following website: <http://www.anokaramsey.edu/resources/transfer/mntc/>
