

## Jury Preparation:

Expectations for all students in preparation of juries:

- Prepare for a 10 min. time slot / student
- Students must arrange for accompanists, if required by the piece.
- Talk to your instructor about an accompanist and if there are any charges and pay them in advance.
- Rehearse with the accompanist. Make sure the accompanist has music in advance so they may prepare for rehearsals.
- Make sure the accompanist knows where and when you will perform your jury.

After the jury:

Evaluation:

The jurors will provide each student with a written evaluation of the jury performance using the appropriate evaluation forms. Copies of the evaluation forms will be delivered to the applied instructor to use with the student for further instruction and discussion as well as made part of each student's AFA portfolio.
