

EXAM 1 REVIEW

Math 1200 – Fall 2008

The first exam will be on Friday, October 10.

The exam will cover Chapters 2 and 3.

You may use your calculator on this exam.

You may NOT use your notes, homework, book, or neighbors on this exam. You do get a $3\frac{1}{2}$ X 5 “cheat-sheet” for this exam.

A review for this exam can be found on pages 291-294 and pages 393-396 of your textbook. Anything on the review could possibly be on the exam. The exam will be shorter than the review.
