

EXAM 2 REVIEW

Math 1200 – Fall 2008

The second exam will be on Wednesday, November 19.

The exam will cover Chapters 4 and 5.

You may use your calculator on this exam.

You may NOT use your notes, homework, book, or neighbors on this exam. You do get a $3\frac{1}{2}$ X 5 “cheat-sheet” for this exam.

A review for this exam can be found on pages 461-464 and pages 530-532 of your textbook. Anything on the review could possibly be on the exam. The exam will be shorter than the review.
