EXAMPLE FROM THE NEW YORK TIMES
The word denounce has appeared in 160 Times articles over the past year, most recently in "Rowling Wins Lawsuit Against Potter Lexicon" on September 9, 2008.

... The opening day saw Ms. Rowling lash out at Mr. Vander Ark's work.

"I believe that this book constitutes the wholesale theft of 17 years of my hard work," she testified, going on to denounce the book as plagiarism and a waste of money.

The following day Mr. Vander Ark sobbed on the stand as he said that Ms. Rowling's attacks on his work had ostracized him from the "Harry Potter community."

Despite the criticism, Mr. Vander Ark showed his fascination for Ms. Rowling during the trial. ...

Today's Test Prep Question of the Day is a sentence completion.

DIRECTIONS: Select the lettered word or set of words that best completes the sentence.

Because Greg was so willing to help anyone in need, he quickly became known as the most ----- student in his class.

- (A) fortunate
- (B) talkative
- (C) philanthropic
- (D) resilient
- (E) inconsiderate

1. In a survey, 27% of people said vanilla was their favorite ice cream flavor. The survey had a margin of error of $\pm 4\%$. Let f represent the actual percentage of people whose favorite ice cream flavor is vanilla. Based on the margin of error, which absolute value inequality best represents the range of values where f should fall?
- A. $|f - 27| \leq 4$
 B. $|f - 27| \geq 4$
 C. $|f - 4| \leq 27$
 D. $|f - 4| \geq 27$

Use the table below to answer question 1.

Town's Population

Year	Population
15 years ago	?
10 years ago	48,145
