

February Assignment
What Can I Do With A Major In (WCIDWAMI)
Due February 28, 2009

| | |
|-------------|--|
| Name | |
|-------------|--|

Step #1

Review a list of majors and choose two that interest you. Refer to your Strong Interest results for guidance in choosing majors. A more general resource may be the website of the Minnesota State Colleges and Universities (MNSCU), where you can get a [listing of universities](#) in the system or [search for various programs/majors](#).

Two excellent examples include:

- www.tc.umn.edu
- www.stthomas.edu

The two majors that interest me are:

Major #1

Major #2

Step 2

For each of your selected majors above, name at least one college that offers such a program.

Major #1

Major #2

Step 3

Name at least three required courses in the major that are personally interesting to you.

Major #1

Major #2

Step 4

List several career options that this major can lead to:

There are also some great websites describing a variety of options. Some of my favorites include:

- <http://www.utexas.edu/student/careercenter/careers/index.html> (University of Texas, Austin)
- <http://careerservices.class.umn.edu/students/careerandmajorinfo/wcidwami/index.html> - University of Minnesota
- <http://www.csbsju.edu/career/majors/default.htm> (College of St. Benedict & St. John's University)
- <http://www.niu.edu/careerservices/weblinks/index.html> (Northern Illinois University)
- <http://www.unco.edu/careers/majors/default.html> (University of Northern Colorado)
- <http://www.unco.edu/careers/students/plan-mguides.htm> (University of Northern Colorado)

Major #1

Major #2

Step 5

Would you be interested in pursuing either of these major programs? Why or not?
