

November- Writing Sample

For this assignment, you need to read the intro and write a 250 word (at least 1 page) essay in response to the prompt. You may hand-write this or type it, but it must be 250 words. Keep in mind the 5 paragraph format for essays (introduction, 3 supporting paragraphs and a conclusion). If you are not sure about this, talk to your advisor.

An article appeared in the local newspaper which stated that the way a person decorates a home reveals important information about his or her personality.

State what you think your room says about you and give specific reasons why you think this. Give enough details so that your advisor will understand your ideas.
