

For this activity you are to sort the value cards into the five categories listed below. You must limit the always and never values to 10 cards. Read each description carefully when deciding. Some may not apply to you at the moment, but do the best that you can for this activity. Once you are finished sorting your cards, answer the questions on the back.

Values Summary Sheet

NAME: _____

*Limit the “Always” and “Never” Values to 10.

	ALWAYS VALUED	OFTEN VALUED	SOMETIMES VALUED	SELDEOM VALUED	NEVER VALUED
