2. Click on O'Net Interest Profiler

3. Read the directions

4. Take the Profile test (There will 180 questions it will take a while)

Pick three careers that require a degree after completing the profiler

Example

Aerospace Engineer

3 Pros

- a) Aerospace engineers get paid well and averages about \$42.12 an hour national average.
- b) Aerospace engineers often have to travel to other work sites which would excite me.
- c) Aerospace engineers often work in teams which visit the type of work I like.

3 Cons

- a) Aerospace engineers sit for long periods of time, which would definitely not fit my ideal work environment.
- b) Best job markets for this job are outside of Minnesota and I really don't want to leave the state of Minnesota.
- c) The time away from family and friends could hurt my relationship with them.

Career 1
