

# Find Your Learning Style

Go to: <http://www.learnmoreindiana.org/needtoknow/Pages/LearningStylesInventory.aspx>

Answer the learning style assessment questions and click on the submit button.

Results:

Print the results of your learning style assessment and look over the study tips. **Please highlight the strategies you are going to use and bring the results in to your advisor. Be prepared to explain how you will implement your new found study skills. If you do not have access to a printer you can cut and paste the information and e-mail it to your advisor.**
