

Upward Bound TextMarks Subscription Form

TextMarks is a service that will allow Upward Bound to send out reminder text messages to students regarding Saturday sessions or cancellations of events. It is another way to help us communicate with students. This is an optional service and students are not required to subscribe. There is no fee to subscribe, but standard texting fees may be charged by the phone plan. It is encouraged that students/parents investigate the cost of text messaging with the phone provider. Students interested in this service must return this subscription form signed by both the student and parent to the Upward Bound program.

Name: _____ Cell Phone Number: _____

By signing this subscription form, I the parent and student acknowledge that subscribing to this TestMark service is optional. Upward Bound is not responsible for any fees incurred as a result of this subscription.
