# Why Anoka-Ramsey Community College?

- One of the lowest tuitions in Minnesota.
- Small class sizes.
- Multiple location course offerings.
- Student life (i.e. intercollegiate athletics, jazz band, theater, choir, more than 20 student groups)
- Many two year degree options.

# Need for Health Workers

- Health educators expected to grow by 18 percent, which is more than the average occupation through 2018  
(Bureau of Labor Statistics, <http://www.bls.gov/oco/ocos063.htm>)
- Rising cost of health care and the increased recognition of the need for qualified health workers.
- More and more people becoming health conscious.
- Need for entry level positions to offset costs of health management.

# Health and Physical Education (HPER)

*(Also known as the “Wellness Division”)*
